Receptionist Heather went out of her way to sort out a problem with my repeat prescription for my nomad box. She kept me informed and sorted out the delay. Very professional.

Having a waiting space which is autism friendly.

I rang for my daughters test results following providing a stool sample as she had a bad stomach for nearly two weeks. I was told the results were back but the doctor would only look at them if I made an apt so wasted an appt someone could of needed because no one looks at the lab results.

Nice staff, good GPs.
